ATLANTA POLO CLUB  
OCTOBER 13-14, 2018

*Benefiting*

**Children's**<sup>SM</sup>  
Healthcare of Atlanta

*2018 Honoree  
Caroline Brewer*

Greetings from Polo in the Pines,

It is with great pleasure that we announce the 6th annual Polo in the Pines "Charity Classic" benefiting Children's Healthcare of Atlanta, pediatric cancer research. The charity polo event will be held October 13-14, 2018 at the Atlanta Polo Club, 4563 Polo Lane, Atlanta, GA 30339. Polo in the Pines two day charity polo event includes an elegant Legacy Luncheon, Saturday hosted by Tina and Matt Fowler and Colleen and Tom Sullivan. The excitement continues Sunday with the Atlanta Polo Brunch Festival. As in years past, this event can only be successful with your generous giving of money and time, some of our most precious resources. Our initial goal for this year is to raise \$350,000, and we need your support to make this happen. We are reaching out to our previous sponsors, as well as seeking new support, and look forward to celebrating the attainment of our goal together.

Polo in the Pines is founded on Faith, Hope and Love. Our founding honoree and twenty-eight year sarcoma cancer warrior, Sharon Knight, consistently proclaimed, "Life is about choices and I choose to turn this negative into a positive; it has been an opportunity for growth. Growth is not always about getting what we want, but it is about being conformed to the image of Christ in which we become the men and women we have the potential to be." We share Sharon's passion to help others and are honored to continue her legacy of giving.

Our mission continues to support specific cancer research, provide awareness and family support to families. Polo in the Pines and Children's Healthcare of Atlanta can only be successful for children and their families with the tireless and generous support of YOU our charity partners.

Would you consider donating to our auction? With your help, we hope to break the record of \$345,000 raised last year for pediatric brain cancer research at Children's. We are looking for unique experiences, vacation homes, event tickets, group experiences, travel experiences, goods & services etc. Registered participants will be able to bid from their mobile device one week prior to the event date via Qtego Auction Services. Auction bidding ends Saturday October 13th. September 28, 2018 is the auction donation deadline.

Our journey for 2018 has lead us to share an unfathomable story of 4 year old little girl named Caroline diagnosed with brain cancer last year. Her parents Jamie & Matt Brewer are courageously sharing their story to spread awareness and help raise critical funding for research. Caroline is a patient at Children's Healthcare of Atlanta. She was named 2018 Miracle Child of the Year out of more than 400,000 children to partner with Children's Miracle Network and Children's Healthcare of Atlanta. Please join us as we embrace this journey with the Brewer family.

We are sensitive to the fact that many of you are consistently requested to contribute your resources. We appreciate you and your family's commitment to our program very much, and are in awe of how many of you will continue to support this necessary effort.

Please feel free to contact Tina Fowler or Nancy Alterman with any questions. If you agree to donate auction items, please return the enclosed form at your earliest convenience. Thank you for your time and consideration. We look forward to continuing the tradition of giving with you!

With sincere gratitude,
